Childcare

- Childcare is provided for young children of volunteers.

Safety

The Commonwealth of PA has passed legislation mandating procedures for those who work or volunteer to work with youth and children. All adult volunteers who work directly with children must have clearances on file in the church office. Information on obtaining these clearances can be found on the VBS Web Page (christmemorial.us/ministries/vbs). Anyone who registers to volunteer at CMLC's VBS even if they are not working directly with the children may receive a follow-up phone call prior to VBS and may be asked to provide references, participate in an interview or obtain background check.

Photo Release

Photo permission is granted to CMLC's VBS photographer for the purpose of enhancing our VBS experience. All photos taken by our VBS photographer may be used in any church related communications.

Medical Release

There is an assumption of risk by participating in any kind of physical activity during VBS. As a parent/guardian registering your child, you will encourage your child to follow safety rules while on CMLC property. You will not hold CMLC nor it's members/volunteers personally responsible for any injury. VBS will have a nurse on staff during VBS hours to attend to minor bumps & bruises. Every attempt will be made to contact Parents/guardians if an injury occurs.

Volunteer Training & Orientation

Even veteran volunteers need to participate in an Orientation! We will review our Safe Child Policy and hand out very fashionable volunteer T-shirts (required for ALL volunteers). Experienced volunteers will encourage new volunteers.

If you are under 18, please make sure you have parental permission prior to continuing with registration (also, be prepared to give emergency contact information).

Please plan on attending ONE of the following Orientation dates:

Thursday, June 21, 2018 @ 6:00pm

Saturday, June 23, 2018 @ 9:30am

Registration Process:
